PRESIDENT'S MESSAGE

ANNA O'KELLY

Hi Neighbors,

The lazy days of summer are behind us, and families are gearing up for the new school year. The Crofton Civic Association sponsored many activities this summer including a parade celebrating the first graduating class of Crofton High School, the Summer Concert Series, and National Night Out. The concert series is funded in part by a grant from Anne Arundel County, and our residents look forward to these weekly concerts every summer. Be sure to add **September 10th, from 2:00-4:00 PM** to your calendar for the Ice Cream Social at Town Hall. There will be activities for the children and lots of free ice cream!

The 60th Anniversary Committee has been meeting throughout the summer months. Polls were sent to the community to help select the slogan and logo that will be used to promote events. We expect to have several exciting opportunities to celebrate our great community. Be sure to follow the 'Crofton 60th Anniversary' Facebook page to stay informed of activities.

If you are a new resident in Crofton, or for some reason have not registered an email with Town Hall, I strongly encourage you to email: Info@CroftonTownHall.org and ask to be added to our email list of residents. This will ensure that you receive community announcements and notifications as well as the monthly E-Advocate. The print/mailed paper Advocate is published only three times a year, so the electronic notifications provide more timely notice of upcoming activities and events. Additionally, the CroftonCommunity.org website provides more in-depth information about the community. Finally, be sure to follow us on Facebook and Instagram.

Please note that we are seeking applications for the Crofton Citizen of the Year. More information may be found on the website, and applications are due no later than September 8th. Our next Board and General Membership meeting is **September 11th, 7:30 PM** at the First Baptist Church across from the Crofton Country Club. I hope to see you there!

TOWN MANAGER'S REPORT

MARTIN H. SIMON

When I took on this job just over a year ago, I knew that certain changes needed to be made that wouldn't happen overnight, but in time, would enable Town Hall's operation to run more smoothly and better serve our CCA members. Now, 15 months in, I'm proud to say that we have made most of those changes and are almost back to full staff, with room for just one more police officer. Please see page 4 for an introduction to our latest hires.

Sergeant Jett (who has been serving as Acting Chief since January) and Corporal Sims have done a fabulous job in keeping our police department running while readying it for the addition of highly qualified new members. And together with the administrative staff upstairs, we have all forged a much-improved dynamic within Town Hall where everyone comes to work each day wanting to do their very best in service to the people of Crofton. In other words, Town Hall is once again a happy place to work, I am pleased to say!

Coming up later this fall, our Crofton Special Community Benefit District (CSCBD) and Crofton Civic Association (CCA) FY25 budget meetings will be taking place on the following dates:

October 2: Public Safety and Recreation Budgets

October 9: Maintenance & Operations and Administration Budgets

October 16: CCA Board Meeting with Review and Approval of CCA Budget and Final Approval of CSCBD Budget

These meetings will be open to all CCA members. Stay tuned for time and location details...

Police Chief's Report

Sergeant Jason Jett

As summer draws slowly to an end, I hope everyone has had time to enjoy their planned vacations and had time to relax. The Crofton Police Department is pleased to announce that we have hired two new officers to join our ranks. Congratulations to Officer Eric Redding and Officer Kyle Gable. Welcome aboard, gentlemen!

Police Officers Kyle Gable (left) and Eric Redding

Officer Redding is a former Lieutenant with the Baltimore City Police Department and former Deputy with the Anne Arundel County Sheriff's Office. He brings thirty years of law enforcement experience with him.

Eric is a retired military veteran who was enlisted in the US Coast Guard for nine years and served 13 years in the Maryland Army National Guard.

Eric served 21 years with the Baltimore City Police Department where he achieved the rank of Lieutenant. Upon retiring from the Baltimore City Police Department, he joined the Anne Arundel County Sheriff's Office where he served on Court Security, the Warrant Squad, and in Civil Process. After eight years he retired from the Anne Arundel County Sheriff's Office. He was subsequently employed with Paragon Systems, Inc. where he was a Contractual District Manager for the Court Security Program of the Federal District Court of the District of Columbia (Washington, DC.) Eric joined the Crofton Police Department on July 21st.

Officer Kyle Gable joins Crofton PD after relocating back to his home state of Maryland after living in Hawaii the last two years. Prior to Hawaii, Officer Gable served 8 years as a Montgomery County Police Officer where he was passionate about DUIs and earned several specialized certifications, including becoming a Drug Recognition Expert (DRE).

Officer Gable was recognized by the state of MD, Montgomery County, and Mothers Against Drunk Driving (MADD) for his DUI enforcement. Additionally, Officer Gable was trained to be a part of the Special Event Response Team (SERT) where he protected locals during civil disturbance and even served with several allied agencies to protect the Capitol on January 6, 2021. For his efforts on January 6, Officer Gable was awarded the Ribbon of Valor from the DC Metropolitan Police Department, a commendation from both the Montgomery County Police Department and the Montgomery County Chamber of Commerce, a letter of appreciation from the Montgomery County Council, and the Congressional Gold Medal.

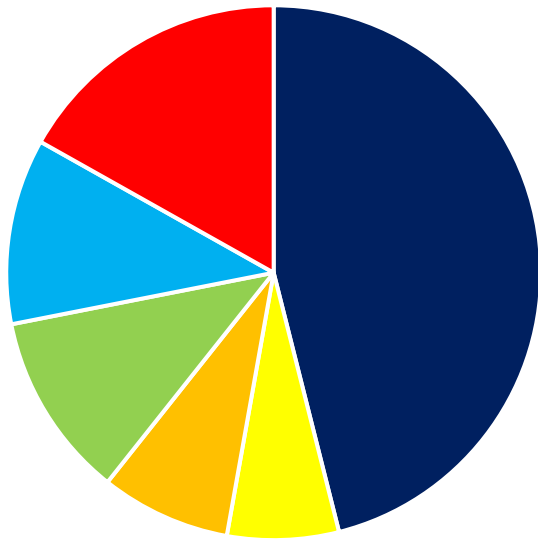

Currently, Officer Gable is working to join the United States Coast Guard (USCG) Reserves where he will be stationed at the Baltimore Yard serving as a USCG Police Officer. Officer Gable lives in the Crofton community (CSCBD) with his wife, Alyssa and 5-year-old son, Coleson.

We could not be happier to have our two newest officers on board serving the Crofton community. Please say hello if you happen to see them patrolling the neighborhood.

Crofton Police Department's rebuilding phase is well underway. This will leave us with only one vacancy to fill. We are still actively looking for one more qualified applicant in hopes of being fully staffed soon.

Thank you for your continued support of the Crofton Police Department!

West Nile Virus Found in Mosquitos in Anne Arundel County –The Anne Arundel County Department of Health reminds residents to take

precautions after six mosquito pools tested positive for West Nile Virus. The pools were identified in various parts of the county on July 27, 2023. The areas include Little Patuxent Watershed (near Lake Louise, the Northwest section of the SCBD). At this time, no human cases have been reported in Anne Arundel County.

Most people exposed to the virus don't get sick, but about 20 percent develop symptoms like headache, fever, muscle and joint aches, nausea, and fatigue. The current warm weather and high humidity provides ideal conditions for mosquito activity and West Nile virus transmission.

Additional information can be found at the Anne Arundel County Department of Health at www.aahealth.org. For questions about spraying, call the Mosquito Control Program at 410-841-587.
